

**9/19/2010 CANAAN DIRT'S "WAR OF THE WORLDS"  
RESCHEDULED FOR FRIDAY, OCTOBER 1<sup>ST</sup>**

**Heavy rains on Thursday night made track preparation unmanageable for the Friday night, war of the Worlds, sponsored by Ricky's Race For Kids and Wicked Racing products.**

**"We were confident with the weather forecast and a lot of man hours that we would be able to have ourselves a decent racing surface by the 7pm post time, stated General Manager, Dick Therrien. We started working her hard at 8am on Friday morning. The weather forecasters said we would have sunny skies, and strong winds throughout the late morning and afternoon. Well the sun never came out to stay until after 6pm, and the winds just weren't strong enough to dry out the surface. We packed for over six hours and some of the track was coming in, but when our grader operator arrived and surveyed the situation, he deemed it was basically impossible to prepare a safe track for our drivers, one that wouldn't tear up their equipment, so we had no other alternative except to pull the plug."**

**The event will be rescheduled for Friday night, October 1<sup>st</sup> at 6:30pm. All events including the \$1,000 to win Modifieds, \$300 to win Super Streets/Limited Late Models, \$250 Bandits/Hornets/Warriors, plus the four and six cylinder Demo Derby paying \$500 to win will be held on that evening.**
