

1/7/11 MOD DRIVER TO WIN BRAND NEW CRATE ENGINE AT CANAAN DIRT SPEEDWAY COURTESY OF MILLER AUTO GROUP

Canaan Fair Dirt Speedway's track manager, Dick Therrien, is pleased to announce the biggest reward ever offered to a Modified driver at Canaan Fair Dirt Speedway thanks to a generous sponsorship from the Miller Auto Group of Lebanon, New Hampshire.

"I am so excited about this package for my drivers and also the start of a great new relationship with the Miller Auto Group, exclaimed Therrien. This prize is by far, the biggest given by dirt tracks in our area. Miller Auto Group is providing us with a brand new 602 GM crate engine for one lucky driver in the Mods here at Canaan. RPM Racing Engines of Georgia, Vermont will seal the engine and put on the finishing touches making the value of this engine to be close to \$4,500. Kevin French, Wholesale Parts Manager for the Miller Auto Group, and myself have devised a program that will allow all Mod racers at CDS to be eligible for this award. Here's how the program works. To be eligible to win this award, you must finish in the top 10 in track points for the season, and must compete in all regular Modified events for the season. However, you may miss a maximum of one event and still be eligible. At the awards banquet all eligible drivers will be tossed into the lottery. We will then start eliminating drivers by a random draw. When we get down to the final three names, the track champion will then have two tickets inserted into the lottery as a special added bonus for being champion. The winner will be drawn at the end of the awards ceremony."

"The Miller Auto Group is excited to be back at Canaan for 2011, stated French. Dick is doing a great job here at Canaan, and this is going to be one exciting bonus program. We wanted to make sure that as many people as possible could be eligible to win the engine, and this allows everyone to fairly compete for the giant prize. We couldn't be happier about this marketing plan, as it benefits both the track, and The Miller Auto Group."

2011 is shaping up to be an incredible season on the dirt at Canaan Fair Speedway, and one more giant announcement for the Mods is that the 2011 Modified champion will receive a \$1,500 point fund check. Also there has been an adjustment in all purses at CDS for 2011. For more information on Canaan Dirt Speedway, visit the track website at www.canaandirtspeedway.com.
