

4/21/11 GIANT SUBWAY WEEKEND SET TO GO AT BOTH CANAAN FAIR SPEEDWAYS

In what is being dubbed the biggest opening weekend in the history of Canaan Fair Speedway's dirt and asphalt facilities, anticipation is growing as the May 6th and 7th dates edge closer. Subway is the main sponsor of the weekend, as they step into the headlining position for the first time in 2011.

Starting off the giant weekend will be the Subway, Modified Triple Crown Series featuring an extra distance event for the ground pounding Mods, paying \$500 to the winner. This event also carries regular season points for the Mods, as well as Subway Triple Crown Series points. Close to twenty Mods are expected to enter this event. Joining the Mods will be the first appearance of the powerful dirt Late Models in many years. Also on the card will be Super Streets, and Bandits. Post time is 6pm.

Plan on bringing your camper for free camping this weekend, cuz after you enjoy Friday night's dirt opener, you will be ready for the biggest Late Model event in the history of Canaan Fair Asphalt Speedway. The \$5,000 to win, Subway Fresh Fit 150 presented by Bond Auto Parts, New England Outdoor Furnaces, and Bly Machine will go green at 5pm on Saturday. Some of the top Late Model drivers in the Northeast will attempt to qualify for this giant event. With very few other tracks in the Northeast running Late Models on May 7th, a large field of cars is expected. The race will carry a \$17,500 purse with the winner receiving \$5,000, and last place pays \$300. Joining the Late Models will be the Super Streets, Pure Stocks, Bandits and Daredevils.

Plan on spending the entire weekend at Canaan Fair Speedway May 6th and 7th. For more information check the track websites at www.canaanspeedways.com, or call Dick Therrien at 802-274-8823. Canaan Fair Speedways are located on Orange Road, just off of Route 118 in Canaan, New Hampshire.
