

6/18/11 CANAAN DIRT SUFFERS FIRST RAINOUT

Heavy mid-afternoon rain showers forced track management to cancel the racing activities this past Friday night at Canaan Dirt Speedway. “We had worked all day to get the track in shape after the heavy rains we had received all week, stated General Manger, Dick Therrien. We just about had it ready, when a steady downpour came through and turned the track into a mudbog, ending our night.”

Canaan Dirt Speedway will return to action this coming Friday night at 7pm. On the card will be Modifieds, Late Models, Super Streets, Bandits and the Northeast Mini-Sprints. Canaan Dirt Speedway is located on Orange Road, off of Route 118 in Canaan, New Hampshire. For more information visit the website at www.canaanspeedways.com, or call the track hotline at 603-523-4502.
